North Carolina should spend \$25.000 for the World's Fair.

The meeting of the North Carolina delegates at the Swannanoa last evening s organized by electing Col. W. B. S. Burgwyn, of Yance county, as chairman, Al. Fairbrother, of the Durham Globe, permanent secretary, and Hon. John Rob. inson vice-president. It was decided that the North Carolina delegates should meet at 9.30 this morning so that they might permanently organize as a state body before the general convention assem-The importance of the North Carolina delegation extending every possible courtesy to the large number of prominent strangers was fully discussed as also the objects and purposes of the as-sembly. Speeches on various topics were made by Hon, Wm. M. Robbins who said we needed only immigrants with Anglo-Saxon blood in their veirs audnot some of those little promis from the entre ne of those little people from the entre

General Clingman was asked to iddress the assembly and discussed at some length the mining and agricultural inter-ests of the state.

The delegates are as fine a looking body of men as ever assembled in any city in North Carolina.

city in North Carolina.

Col. Burgwyn, in occepting the chairmanship laid stress upon the necessity of every North Carolinian considering himself a host of every man from Texas to

self a host of every man from Texas to Missouri.

Some of the prominent representatives present were: Col. J. Turner, Morehead; W. S. Primrose, Raleigh, charman state agricultural college; P. H. Hanes, Winston; W. W. Wood, Winston, aprominent to hacconist and newspaper man; R. H. Battle of Raleigh; ex-Congressman Wm. M. Robbins, of Statsville, Dr. H. B. Battle, state chemist; W. A. Whittaker, president Winston landcompany; H. B. Battle, state chemist; W. A. water taker, president Winston landcompany; G. W. Hinshaw, vice-president W. X. C. Ry; W. E. Ashley, Major Aibord, president Maryland Agricultural College; W. M. Picket, member Legislatore; W. A. Montgomery, leading lawyer, Warren county; Hon. Kope Eliss, Franklin; Andrew Boyd, ex-collector Internal Reviews. Andrew Boyd, executed invocation J.
M. Leach, Chee' of oncol Treasury bu-reads under Cleveland; Hon. John Robinson, Commissioner Agriculture; T. K. Bruner, Secretary Bureau Agricul-ture; J. H. TALK ABOUT A ROAD FROM

Already in Course of Construction Which it Would Give Asheville- can accomplish more under combined cifort and organization than the people

are several prominent business men from Bristol. Tenn. In answer to Tirk Crrizev's inquiry as to how the Bristol, Elizabethton and North Carolina railrond was getting along, one of them said:
"The route for the road to the state line, between Tennessee and North Carolina has been surveyed. The grading has been about completed to Elizabethton, ber how under organization and the lead to the state line, between the states, how southern will and southern courage shaped, and we might say, controlled the affairs of this great government. You will remember how under organization and the lead to the state line, between the states, how southern will and southern courage shaped, and the might say, controlled the affairs of the grading has been about completed to Elizabethton, between the states, how southern will and southern courage shaped, and the might say, controlled the affairs of the grading has been surveyed. in a direct line from Bristol toward Asheville. From Bristol to Asheville, by way of Elizabethton is just about eighty-five miles. The railroad is being constructed in this direction as far as that place, and from there it turns to the north, and goes to the iron mines at Doe mountain. From Elizabethton to the state line the diseases transmission of the state of the city of Montgomery. Also, and in the city of Montgomery.

and have the road built from the feature is but forty-two miles and the advantages to be secured would be numerous. At Bristol, connection could be made with a Bristol, connection could be made with a

state immigration convention assembled in Asheville, N. C., Dec. 17, 1850, representing all the counties of the state:

"First, That inasmoch as North Carolina possess a climate, a geographical position and material resources users."

"In twould shorten the distance to be traversed by and we the more readily encourage and welcome the effort, let them come from wherever they may, that tend to increase these arguments, that the building of the road greatly interests the people of Ashe, and this is not only the sentiment of southern men and southern women here. position and material resources many passed by any section of this great compared by any section of the could be built it is the first any section of the could be built in the first any section of the could be built in the first any section of the could be built in the first any section of the could be built in the first any section of the could be built in the first any section of the could be built in the first any section of the could be built Remember, now, it is only forty-two miles from here to the Tennessee line and the road would be built to that point from the Tennessee side."

Borders.

"The federal and confederate soldiers the regage as partners in all the businesses, trades and professions of life, and vie with each other in all their efforts for

offering an opportunity of mixing a creditable exhibit of our resources which should by mo means be neglected, and we therefore respectfully request the General Assembly, the grant of a sufficient appropriation, session of the General Assembly, the grant of a sufficient appropriation, such as a sufficient appropriation, such as the such as the constitution and law of this corn, and of our own commonwealth, we will extend a cordial welcome to cash in their fols with us and become our fellow ettiers.

The positions of various delegates were then assigned. They were on the left-Mississippi, Texas, Kentelly, September 19, Septem

TO-BAY'S SESSION.

Good Resolutions Adopted—Now Give them Effect.

The clerk in Mr. Greeley's bureau, who has charge of the disposal of the elements must have had his weather eye on Asheville and decided to send down a novelty for the members of the interstate immigration convention.

When the delegates from the far south looked out upon the fary landscape this morning it must have indeed presented an unusual sight and perhaps a please and unusual sight and perhaps a please source, and from the retreated an unusual sight and perhaps a please interest and the control of the road will be and the advantages and unusual sight and perhaps a please sourced and the advantages of the road source and the right in and have the road built from the Tensesee line to Asheville. The distance is twenty miles and the exception of the speaker, "if she would pitch right in and have the road built from the Tensesee line to Asheville. The distance is the morth, and perhaps a please source of the interest the interest of the interest of

an answal sight and perhaps a pleasing ensode to them.

It was remarked by a wag that if the welcome was a cold one, it was at least "white."

At 10 o'clock punctually, chairman Burgwyn, with a new opening remarks, pernonunced the meeting of the North Carolina delegates open for business and organization in the Grand opera house.

Mr. W. S. I'rimrose, president of the state Agrendural and Meskeniac closing the advantage is that the coal maders and of the value or the Robanizar ologing the world free advantage is the value or stapesitions as an advertise ment of resources of states, the benefits of the citizen at home and from other world free advantage is the value or the present of the value or the north and not never and from other states meeting to discuss such important events as the present of the value or the configuration converse, of the mineral and are remutarial resources. He said that to people of the north do not understand of What enormous value is our tunder and other removers, of the mineral and are remutarial resources. He said that to people of the north do not understand of what enormous value is our tunder and other removers, or the mineral and agreement of the north do not understand of what enormous value is our tunder and other removers, or the mineral and agreement of the north do not understand of the grandlene of the mineral and agreement of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of the grandlene of the north do not understand of th

Why do some of you patronize the Chinamen? Not because their work is any letter, or as good; certainly it cannot be because they are of any advantage to our town, for the money which you pay them is all sent to China. There is uone of it spent in town. On the contrary send your work to us, and in doing so yon will belp to keep employed at good wages, girls who want work and who will spend their money amongst us—and when you put on a clean shirt you will feel better, knowing that it is clean, and that a filthy Chinaman has not spit all over the bosom of it. Think about these things and you will certainly patronize the

NO END TO BARGA

Special Sale This Week of Astrachan Capes and Muffs.

The last few weeks of the dying year made memorable in the history of dry goods. Minnaugh's buyers procure another shipment of real values. They are placed on sale today without reserve, at prices so low as to startle the closest competition. A bomb in the camp, an explosion of bargains, scattered in all directions, strewn all over the house; every department shaken; the influx of new goods in a week without precedent; our immense store and basement taxed to hold them all; hence an imperative sale our somable terms, vas. only alternative. The slaughter commences to-day; prices ruthlessly hewn. Cut and slash our watchword. This immense stock is reduced regardless of consequences. No ASHEVILLE time for further comment; flowery "ads" unnecessary to attract when prices have taken such a tumble. Look to your interest and attend this sale. Make no mistake, remember the place—the immense store with the immense stock and immense bargains,
